

Positive Action: How to Participate in the Alabama HIV/AIDS Awareness Day

When: Friday, February 17th, 2012
9:00 A.M. to 11:00 A.M.

Where: Franklin Primary Health Center, Inc.
Medical Mall (Community Room 200)
1303 Dr. Martin Luther King, Jr. Avenue
Mobile, Alabama 36603

Why: Because your voice matters!

What: Legislators make important decisions that impact persons living with HIV/AIDS each year. Consumers possess the largest stake in these issues and are often the most effective voices in advocacy. This training will help consumers educate those who have the power to make a difference. **Hot breakfast will be provided.**

RSVP: Space is limited. Please contact William Chastang, Consumer Advocate and Outreach Coordinator, at (251) 436-7745 or william.chastang@franklinprimary.org before Tuesday, February 14th, 2012.
